

# The Diamond Series™ Difference

Here at Coast to Coast, we do more than assemble toner cartridges. We utilize our state-of-the-art engineering and innovation to manufacture products that print like the originals. Providing quality products, superior service and unbeatable value are our top priorities. Experience the difference when you partner with Coast to Coast.

## PATENTED TECHNOLOGIES

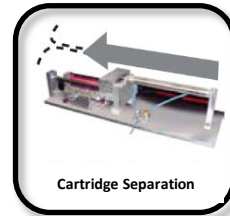

Minimizes streaking and banding. Improves overall print quality.

Eliminates leaking. Maintains original cartridge critical gap alignment.

Computer-guided cutting for consistency. Reduces cutting waste by 99%.

Does not remove plastic or cut through realignment pins. No clips needed.

Product arrives clean with OEM appearance. Eliminates leaking.

## WINNING QUALITY

- Rigorous compliance testing includes multiple Quality Assurance check points along with a final triple QA inspection, exhaustive destructive testing and ISO 19752/19798 yield tests.
- Continuous life testing using simulated shipping and environmental conditions provide the ultimate quality guarantee.

INTELLIGENT RE-ENGINEERING
